Important: Read all instructions prior to installation.

CRN2 and CRN4 Series

LED Corner Light

CRN2-30W-150K-C-FL-CT-FA
Safety and Notes

- Product should be installed in accordance with applicable national, state, and local building and electrical codes.
- To reduce the risk of electric shock, ensure that the main power source and circuit breakers are switched off before performing any installation or wiring procedures.
- Avoid looking directly into lamp when illuminated.
- Ensure all mounts are securely attached and will support the weight of the fixture. Failure to properly support fixture may result in damage or injury, for which the manufacturer does not assume responsibility.
- Intended for indoor use only.
- Do not mount near radiant heat sources/heaters.
