

**Important: Read all instructions prior to installation.**

## LED Canopy Light

### Warning

- This product should be installed by a fully certified electrician in accordance with local building and electrical codes.
- Due to risk of electric shock, ensure that the main power source and circuit breakers are switched off before performing any installation or wiring procedures.
- Failure to properly support the fixture during installation may cause damage or injury, for which the manufacturer is not responsible. Ensure the light bracket is securely mounted and will support the weight of the fixture.
