

**Important:** Read all instructions prior to installation.

## Strobe Controller

LMC-700A

### Safety and Notes

- Product should be installed and serviced in accordance with applicable national, state, and local building and electrical codes.
- To reduce the risk of electric shock, ensure that the main power source and circuit breakers are switched off before performing any installation or wiring procedures.

### Specifications

Model	LMC-700A
Input Voltage	12 VDC
Output Voltage	12 VDC
Max. Output Wattage	24 W x 2 (48 W total)
Max. Current Draw	2 A / channel (4 A total)

### Remote Control
