

Important: Read all instructions prior to installation.

Recessed LED Lights

Safety and Notes

- This product should be installed and serviced in accordance with applicable national, state, and local building and electrical codes.
- To reduce the risk of electric shock, ensure that the main power source and circuit breakers are switched off before performing any installation or wiring procedures.

Installation

1. Select the desired mounting diameter by using or discarding the adapter ring. Mark and drill a hole in mounting surface.
2. Make electrical connection.
3. Test fit light. If needed, apply silicone adhesive to assist in securing light and to seal seating surface to avoid water intrusion.

MRL2-27K1W-MB

Specifications

Model	MRL2-xK1W-x
Total Power Consumption	1.5 W
Operating Voltage Range	10–25 VDC, 12 VAC
Operating Temperature	-4°–113° F (-20°–45° C)
Dimmable	no
