Included Parts

1 - Foam Mounting Gasket
1 - Knockout Plug
5 - Wire Nuts
4 - M4 x 38 mm Phillips Screws

Note: Photocell equipped models also include preinstalled photocell sensor, which turns light on when ambient light is below 30 lx.

Optional Accessories

Glare Shield (WPG-GS)

Safety Notes

- This product should be installed and serviced by a certified electrician in accordance with applicable national, state, and local building and electrical codes.
- To reduce the risk of electric shock, ensure that the main power source and circuit breakers are switched off before performing any installation or wiring procedures.
- Avoid looking directly into lamp when illuminated.
- Ensure all mounts are securely attached and will support the weight of the fixture. Failure to properly support fixture may result in damage or injury, for which the manufacturer does not assume responsibility.
